

PRIVATE EVENTS MITIGATION PLAN

At Pinellas Ale Works, we care about our customer's safety. We have laid out a private events mitigation plan described below.

Guests within private parties who are outside the designated private space area MUST wear masks while walking about the public. This includes wearing a face mask while walking about the main indoor tap room and ordering beverages within the main indoor tap room.

Hand Sanitizer Dispensers have been placed in both the main tap room in addition to the private events room to enhance and promote a clean environment.

Guests within the private event have the option of single use plastic cups

Staff sanitizing & disinfecting tables, chairs and handles frequently

Beer Garden tables spaced out with additional seating in our 2nd air conditioned Tap Room

Staff wearing masks at all times
